Description :

PDF-3dcfa | A “provocative” (Kirkus Reviews), timely, and topical work that examines what’s good for American business and what’s good for Americans—and why those interests are misaligned. In *American Amnesia*, bestselling political scientists Jacob S. Hacker and Paul Pierson trace the economic and political history of the United States over the last century and show how a viable mixed economy has lon... *American Amnesia: How the War on Government Led Us to Forget What Made America Prosper*
