Applied Linear Statistical Models PDF

by John Neter : **Applied Linear Statistical Models**

ISBN : #0256117365 | Date : 1996-02-01

Description :

PDF-ccc1a | There are two approaches to undergraduate and graduate courses in linear statistical models and experimental design in applied statistics. One is a two-term sequence focusing on regression followed by ANOVA/Experimental design. Applied Linear Statistical Models serves that market. It is offered in business, economics, statistics, industrial engineering, public health, medicine, and psychology depa... *Applied Linear Statistical Models*
