Description :

PDF-c9d5d | For too long there have been few 'blueprints' for young women entrepreneurs - particularly African-American women entrepreneurs--to follow. While women are starting businesses in unprecedented numbers, many African-Americans are first-generation entrepreneurs, and there have been few role models for them to emulate and learn from. The impact of African-American women in business is undeniable. Acc... *50 Billion Dollar Boss: African American Women Sharing Stories of Success in Entrepreneurship and Leadership*
