Description :

PDF-d4e2f | More than fifty years after the beginning of the Women's Movement and forty years after passage of Title IX, women are still not "making it" in traditionally male careers. Women start their careers on parity with men but generally end them far earlier, having achieved less status, lower compensation, and less satisfaction than men. Breaking Through Bias explains that it is the stereotypes about wo... *Breaking Through Bias: Communication Techniques for Women to Succeed at Work*
