Description :

PDF-36886 | 2016 will be one of the most historic years in politics: It marks the potential for the first female President of the United States, and the 100th anniversary of the first woman elected to Congress. Additionally, in 2016, single women will be one of the most pivotal voting groups heading into the general election, being courted by both Democrats and Republicans. At the centennial of the first woman... *Broad Influence: How Women Are Changing the Way America Works*
