by Gary Saul Morson : **Cents and Sensibility: What Economics Can Learn from the Humanities**

ISBN : #069117668X | Date : 2017-05-30

Description :

PDF-22625 | A provocative and inspiring case for a more humanistic economics Economists often act as if their methods explain all human behavior. But in *Cents and Sensibility*, an eminent literary critic and a leading economist make the case that the humanities, especially the study of literature, offer economists ways to make their models more realistic, their predictions more accurate, and their policies more... *Cents and Sensibility: What Economics Can Learn from the Humanities*
