ISBN : #0821341650 | Date : 1998-03-01

Description :

PDF-d8810 | This paper examines the increased role of the private sector in developing and maintaining critical infrastructure. It identifies governments' quest to shift part of the burden of new infrastructure investments to the private sector for the economic development of firms and industry and the improvement of quality of life and, given the constraints on public budgets, to finance growing infrastru... *Concessions for Infrastructure: A Guide to Their Design and Award (World Bank Technical Papers)*
