Description :

PDF-f0237 | In the 21st century, corporations have worked their way into government and, as they become increasingly more powerful, arguments about their involvement with public health have become increasingly black and white. With corporations at the center of public health and environmental issues, everything chemical or technological is good, everything natural is bad; scientists who are funded by corporat... *Corporate Ties That Bind: An Examination of Corporate Manipulation and Vested Interest in Public Health*
