Description :

PDF-8c415 | The United States is more vulnerable today than ever before—including during the Great Depression and the Civil War—because the pillars of democracy that once supported a booming middle class have been corrupted, and without them, America teeters on the verge of the next Great Crash. The United States is in the midst of an economic implosion that could make the Great Depression look like child's p... *The Crash of 2016: The Plot to Destroy America--and What We Can Do to Stop It*
