Description :

PDF-4fb7a | Women are almost half the workforce, yet their incomes in comparison to men's have changed only slightly in the past 20 years. While there are more women in visible professions than ever before, most women do not believe they "qualify" for the higher-paying positions. They are much more qualified than they realize. This book is written to help each woman recognize and rise above the barriers to a ... *Each of Us: How Every Woman Can Earn More Money in Corporate America*
