Description :

PDF-95e96 | Women face a number of roadblocks when it comes to investing. They live longer, have careers that are interrupted by family needs, and tend to be less knowledgeable and more conservative about investing. If you are a woman who is somewhat intimidated at the thought of investing and you aren't sure you understand the investment process well enough, the information in this guide can give you the con... *Everywoman's Money: Confident Investing*
