Description :

PDF-6c978 | Over the last century, women have achieved a lot. They have gotten out of the house, created a career, accumulated wealth on their own (as opposed to inheriting it), climbed up the corporate ladder, and gained political power. On the other hand, when it comes to money, many women are living either in denial, complete unconsciousness, or painful self-doubt. The financial crisis has broken all the... *Financial Independence for Women: Take Control of Your Money and Live a Balanced Life*
