Description :

PDF-72a1e | Twenty years ago, a book about being fired after one reaches a certain age would be a ridiculous and irrelevant idea, but today, it is a resource that is badly needed. There is much talk these days about how hard it is to find a job as a fresh post-secondary graduate, but life is hard on the other end of the spectrum too. Finding a job in your 50s can be just as hard, if not harder, than finding a... *Fired at Fifty: Stop Looking for Work and Discover What You Were Meant to Do*
