Description :

PDF-7b05e | Cities are always changing: streets, infrastructure, public spaces, and buildings are constantly being built, improved, demolished, and replaced. But even when a new project is designed to improve a community, neighborhood residents often find themselves at odds with the real estate developer who proposes it. Savvy developers are willing to work with residents to allay their concerns and gain publ... *How Real Estate Developers Think: Design, Profits, and Community (The City in the Twenty-First Century)*
