Description :

PDF-de6b1 | Women hold over half of all professional jobs today, yet they represent just four percent of CEOs in the S&P 500. Even worse, that percentage has barely budged in a decade. That's where The Influence Effect comes in. Based on recent research by the authors of the New York Times bestseller Break Your Own Rules, this book begins with the premise that when it comes to political savvy, what works fo... *The Influence Effect: A New Path to Power for Women Leaders*
