Description :

PDF-d769f | For prekindergarten children, language and play are the major tools for learning about the world, and they are also the most important tools for early literacy learning. The three- or four-year-old who takes a memo pad and marker around to family members "to take orders" for dinner, like all young children, makes no distinction between play and reading and writing. It all involves curiosity, learn... *Literacy Beginnings: A Prekindergarten Handbook*
