Description :

PDF-7038e | Minority women start new businesses in the U.S. at four times the rate of non-minority men and women. Though minority women entrepreneurs in the United States are thriving, their stories are very seldom told, and few think of minority women as successful entrepreneurs. *Minority Women Entrepreneurs* gives voice and visibility to this group of business owners. The second purpose of this book is to exp... *Minority Women Entrepreneurs: How Outsider Status Can Lead to Better Business Practices*
