Description :

PDF-d799a | There are 9 million women-owned businesses in the United States; they account for \$1.3 trillion in revenue. American women are starting businesses at a rate twice that of men. Most of these women are also moms. What does it take to be successful as both a mom and as an entrepreneur? Moms Mean Business gives existing and potential mom business owners the encouragement, advice, and healthy dose of "h... *Moms Mean Business: A Guide to Creating a Successful Company and Happy Life as a Mom Entrepreneur*
