Description :

PDF-5b4ce | In the past few decades the number of women entering graduate and professional schools has been going up and up, while the number of women reaching the top rung of the corporate and academic worlds has remained relatively stagnant. Why are so many women falling off the fast track? In this timely book, Mary Ann Mason traces the career paths of the first generation of ambitious women who started car... *Mothers on the Fast Track: How a New Generation Can Balance Family and Careers*
