: Nature Of Learning: Using Research To Inspire Practice (Education Research and Innovation)

ISBN : #9264086471 | Date : 2010-09-20

Description :

PDF-fa61f | What do we know about how people learn? How do young people's motivations and emotions influence their learning? What does research show to be the benefits of group work, formative assessments, technology applications, or project-based learning and when are they most effective? How is learning affected by family background? These are among the questions addressed for the OECD by leading researcher... *Nature Of Learning: Using Research To Inspire Practice (Education Research and Innovation)*
