Description :

PDF-7ca7b | This unique tie-in to the major motion picture Oceans—coming this April from Disney & National Geographic—explores the health of our oceans, and what we can do to improve it. More than 75 percent of the globe is covered by the oceans. It is sometimes difficult to understand why it is called Planet Earth rather than Planet Ocean. Since half the world's human population lives within a stone'... *Oceans: The Threats to Our Seas and What You Can Do to Turn the Tide (Participant Guide)*
