Description :

PDF-3903a | Over the last decade or so, we're seeing the emergence of a new form of scale. Today's massively scaling startups - which rapidly grow to millions of users and billions in valuation - do not sell a product or service. Instead, they build a platform on which others can create and exchange value. The many manifestations of the platform business model - social media, the peer economy, cryptocurrencie... *Platform Scale: How an emerging business model helps startups build large empires with minimum investment*
