Description :

PDF-c75a2 | Possibilities explores how women can build their full life mix of work, partnership and motherhood through the stories of 36 high achieving women who have done just that. The book illustrates how myths about career continuity, perfection and the practice of focusing on only one element of life serve as unnecessary barriers to women. Told in a conversational tone, this book presents options rather ... *Possibilities: Insights and Wisdom from Women Who Combined Marriage, Motherhood, and High Professional Achievement*
