Description :

PDF-27065 | According to the Bureau of Labor Statistics, more than half of all American mothers of infants work outside the home. This has been true for at least 15 years. Moms work in even greater numbers as their children get older. There are many resources to support a pregnant working woman during the pregnancy and after the baby arrives. There are a few pitfalls as well. This book is meant to highlight t... *The Pregnant Professional: A Handbook for Women Who Plan to Work During and After Pregnancy*
