Description :

PDF-45bc3 | Even though men and women have graduated law school at nearly the same rate for two decades, women still make up only 17% of partners at law firms. Since 1995, Presumed Equal has provided valuable insight into the evolving role of women at top law firms. Based on anonymous survey responses from nearly 4,000 female associates and partners at 105 of the nation's most prestigious firms, this 2006 edi... *Presumed Equal: What America's Top Women Lawyers Really Think About Their Firms*
