Description :

PDF-de1f3 | Popular leadership blogger gives the low-down on standing up for yourself In Pushback, top leadership consultant Selena Rezvani argues that self-advocacy is critical to success. Yet women initiate negotiations four times less often than men, resulting in getting less of what they want—promotion opportunities, plum assignments, and higher pay. This book shines a light on the real rules of holding... *Pushback: How Smart Women Ask--and Stand Up--for What They Want*
