Description :

PDF-323fe | There's a hidden goldmine in your pocket. You might think that shiny iPhone or Samsung Galaxy is worth a few hundred dollars, but what if I told you it could be worth thousands or even millions over a career? If you work in sales or own a business, your answer to propelling your career forward is to use your phone as a device to speak with and influence other people. This book shows how to sk... *The Sales Playbook: 11 Simple Strategies to Close More Sales*
