Description :

PDF-e5254 | SCIENCE STORIES helps you get in touch with your "scientific self" and become empowered to teach science in your own classrooms. This book's unique approach uses stories of science in real-world classrooms to demonstrate important science content and strategies in action. Following each story, you'll have the opportunity to reflect on the connections to the Next Generation Science Standards (NGSS)... *Science Stories: Science Methods for Elementary and Middle School Teachers*
