Description :

PDF-43b72 | Women are completing MBA and Law degrees in record high numbers, but their struggle to attain director positions in corporate America continues. Although explanations for this disconnect abound, neither career counselors nor scholars have paid enough attention to the role that corporate governance plays in maintaining the gender gap in America's executive quarters. Mining corporate governance model... *No Seat at the Table: How Corporate Governance and Law Keep Women Out of the Boardroom (Critical America)*
