: **Sport Analytics: A data-driven approach to sport business and management**

ISBN : #1138667137 | Date : 2016-11-11

Description :

PDF-33d0c | The increasing availability of data has transformed the way sports are played, promoted and managed. This is the first textbook to explain how the big data revolution is having a profound influence across the sport industry, demonstrating how sport managers and business professionals can use analytical techniques to improve their professional practice. While other sports analytics books have focu... *Sport Analytics: A data-driven approach to sport business and management*
