Description :

PDF-526aa | Affordability, access, and accountability have long been among the central challenges facing higher education?and they remain so today. Here, Donald E. Heller and other higher education scholars and practitioners explore the current debates surrounding these key issues. As students and their families struggle to meet rising tuition prices, and as state funding for higher education dwindles, poli... *The States and Public Higher Education Policy: Affordability, Access, and Accountability*
