by Sharon Smith : **Subterranean Fire: A History of Working-Class Radicalism in the United States**

ISBN : #193185923X | Date : 2006-02-01

Description :

PDF-6bb00 | Workers in the United States have a rich tradition of fighting back and achieving gains previously thought unthinkable, from the weekend, to health care, to the right to even form a union. But in 2005, the number of workers organized in unions reached a 100-year low in both the public and private sectors, even though more and more people would like the protection of a union, and real wages for most... *Subterranean Fire: A History of Working-Class Radicalism in the United States*
