Description :

PDF-5bf0c | A laser-beam focus on improving instruction to improve learning. If we want to change how students write, compute, and think, then teachers must transform the old "assign-and-assess" model into engaging, coherent, and rigorous instruction. The authors show school leaders how to make this happen amidst myriad distractions, initiatives, and interruptions. Unlike other books that stop at evaluating te... *Teaching Matters Most: A School Leader's Guide to Improving Classroom Instruction*
