Description :

PDF-13fdd | Starting in 2008, investors, upset by the stock market collapse, started to see real estate as a "safe haven" investment. While talking with numerous clients, investment manager Hilliard Macbeth realized that Canadians have far too much of their investment capital and savings tied up in expensive real estate when better opportunities are about to appear in other asset classes. He argues that Canad... *When the Bubble Bursts: Surviving the Canadian Real Estate Crash*
