Description :

PDF-1dc71 | The financial crisis that began in 2008 has made Americans keenly aware of the enormous impact Wall Street has on the economic well-being of the nation and its citizenry. How did financial markets and institutions-commonly perceived as marginal and elitist at the beginning of the twentieth century-come to be seen as the bedrock of American capitalism? How did stock investment-once considered disre... *When Wall Street Met Main Street: The Quest for an Investors' Democracy*
