Description :

PDF-de657 | Never before has there been such a confluence of international attention to the economic importance of women and the need for policies to enable them to fulfil their potential. The position of women - as employees, consumers and leaders - is seen as a measure of health, maturity and economic viability. Why Women Mean Business takes the economic arguments for change to the heart of the corporate wo... *Why Women Mean Business: Understanding the Emergence of our next Economic Revolution*
