Description :

PDF-22267 | Nowhere are gender differences more prevalent than money matters. On top of the complexities associated with women and finances is the fact that longevity is redefining retirement for women. For the first time, women control the majority of U.S. wealth, yet few financial models consider the issues most relevant to women. According to Jeannette Bajalia, too few financial professionals speak directl... *Wi\$e Up, Women!: A Guide to Fiscal and Physical Well-Being*
