Description :

PDF-d1509 | This is more than a "how to" book about installing, maintaining and repairing a windmill. Author Dick Hays was an old-time cowboy who became a professional windmill around the area of Silver City, New Mexico. While the book was written to help the professional windmill as well as the rancher, farmer or country gentleman who is a do-it-yourselfer, it will be of interest to the fan of western Am... *Windmills and Pumps of the Southwest*
