Description :

PDF-c4d8b | Excerpt from the Preface: In this book, women coal miners describe their working lives in a hazardous industry that remained virtually all-male until 1973. Women miners fought the odds for a measure of economic freedom with a determination and blood-and-guts courage normally attributed to men. They built a women's support network and made their voices heard in the United Mine Workers of American (... *Women in the Mines: Stories of Life and Work (Twayne's Oral History Series)*)
