Description :

PDF-b4994 | Why would an investor care whether a money manager wears Louboutins or loafers? Because money--how to keep it and how to make more of it--is on everyone's mind. And research shows it pays to invest with or like a woman. Study after study shows that women invest differently than men. From less overconfidence, overtrading, and testosterone to a greater tolerance for market noise and a more consiste... *Women of The Street: Why Female Money Managers Generate Higher Returns (and How You Can Too)*
